

# Adding and Subtracting with Larger Numbers

NCTM Standards 1, 2, 2, 6, 7, 8, 9, 10

I. What numbers are missing?  
Draw the missing jumps.

<b>Start</b>	13	32	3	24	37	45	
<b>Jump Forward</b>	1	3	2	1	2		2
<b>Land</b>	14	35				48	12

**NOTE:** Your child is investigating functions with two inputs by filling in missing numbers in a table. Have your child explain the rule for the table above.

## What numbers are missing?

2.

Start	12	25	36	43		14	
Jump Forward	3	5	2		10	6	10
Land	15	30		47	38		30

3.

Start	12	25	36	43		14	
Jump Back	3	5	2		10	6	10
Land	9	20		43	38		30

 4. What is the rule for Problem 3? Explain how you know.
