

# Doubling Your Money

NCTM Standards 1, 2, 6, 7, 8, 9, 10

What are the missing costs?

		
1.	5¢	10¢
2.	10¢	
3.	6¢	
4.	8¢	
5.	20¢	
6.		60¢
7.		50¢
		

**NOTE:** Your child is learning to double collections of coins and amounts of money. To practice, tell your child the cost of one item and ask your child to tell you the cost of two items.

**Complete each sentence.**  
**You may use coins to help.**

8. If one balloon costs  $50\text{¢}$ ,  
then two balloons cost \_\_\_\_\_.

---

9. If one balloon costs \_\_\_\_\_ $\text{¢}$ ,  
then two balloons cost  $30\text{¢}$ .

---

10. If one balloon costs  $25\text{¢}$ ,  
then two balloons cost \_\_\_\_\_ $\text{¢}$ .

---

11. If one balloon costs  $20\text{¢}$ ,  
then two balloons cost \_\_\_\_\_ $\text{¢}$ .

---

**Make your own.**

12. If one balloon costs \_\_\_\_\_ $\text{¢}$ ,  
then two balloons cost \_\_\_\_\_ $\text{¢}$ .

### **Problem Solving**

13. If a big balloon costs  $24\text{¢}$  and a little one costs  $7\text{¢}$ , then two big balloons and two little balloons  
cost \_\_\_\_\_ $\text{¢}$ .
