

# Making Sums of 60

NCTM Standards 1, 2, 6, 7, 8, 9, 10

Only use the numbers 0, 10, 20, 30, 40, 50, and 60.

Complete each Cross Number Puzzle.  
Use multiples of 10.

1.

30		
		60

2.

	0	
		60

3.

20		
		60

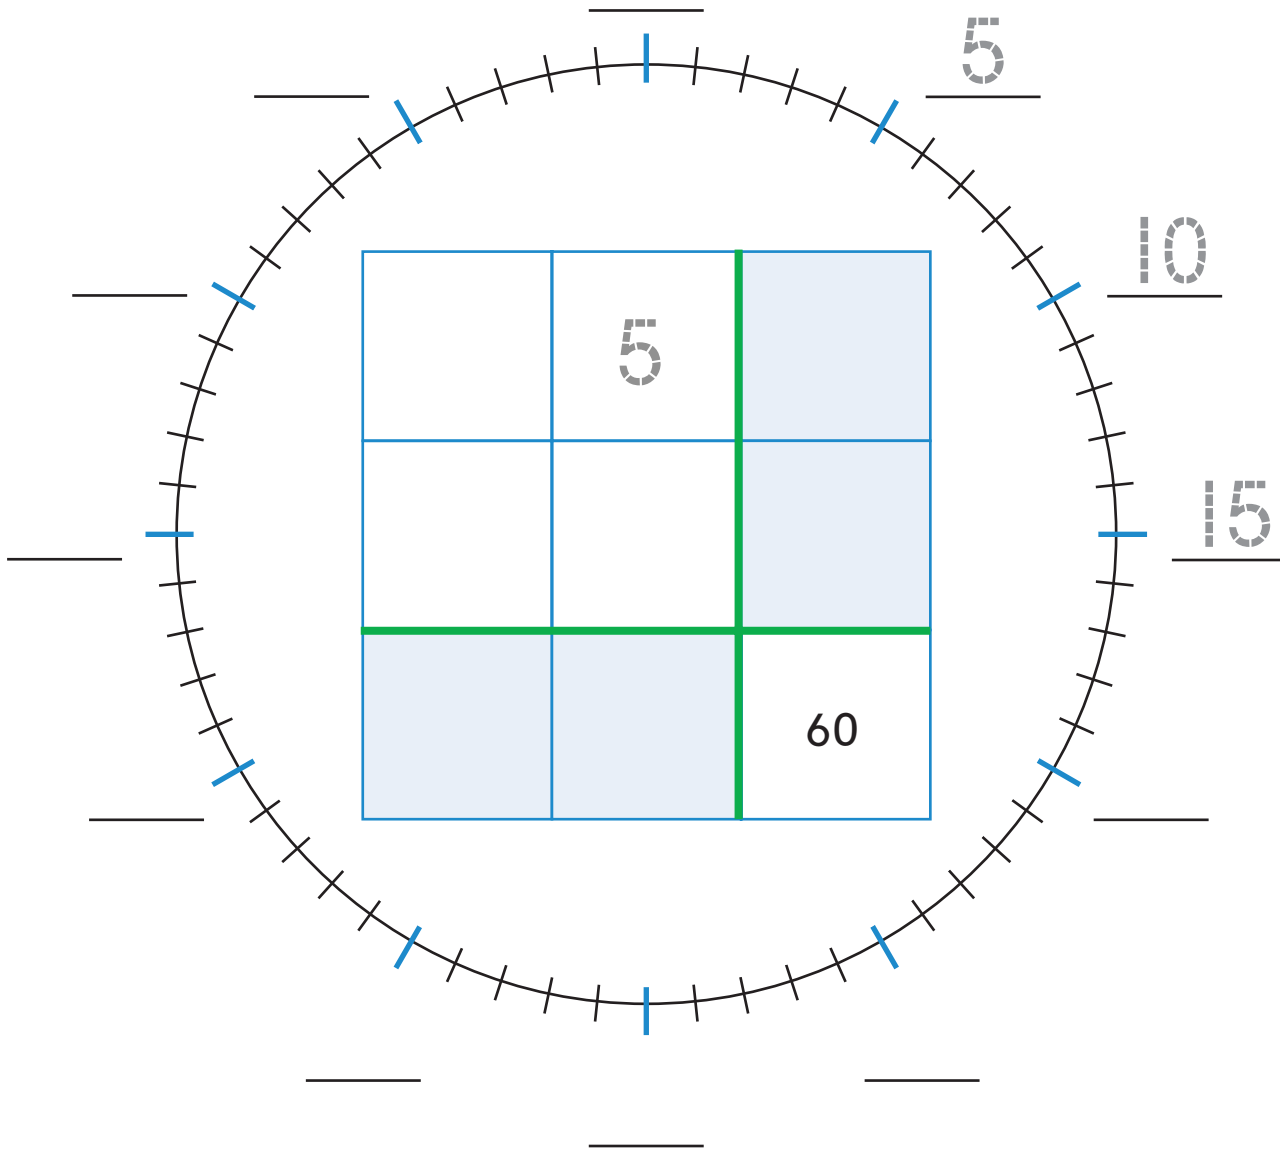

4.

	10	
		60

**NOTE:** Your child is learning to add multiples of ten.  
You may wish to ask your child to find a different way  
to solve Problem 4.

5. Continue the pattern. Use these numbers to complete the Cross Number Puzzle.

### Challenge

6. Use multiples of 5 or 10 to complete this Cross Number Puzzle.
