

Making Graphs with Pictures and Symbols

Some children chose their favorite season. The table shows the results.

1. Use the data in the table to complete the graph.

Our Favorite Seasons	
summer	### II
fall	III
winter	###
spring	IIII

Our Favorite Seasons								
summer								
fall								
winter								
spring								

Key: Each 😊 stands for 1 child's choice.

2. Which season did most children choose? _____

3. How many more children chose summer than winter?

_____ more children

4. How many children chose fall or winter?
Explain how you know.
