

Exploring Addition with Cuisenaire® Rods

Color the rods.
Complete each addition sentence.

If $\boxed{W} = 1$, then...

| | | | | | | | | | |
|-----------|-------------|------------|--|--|--|--|--|--|--|
| | | | | | | | | | |
| 1. | Brown | | | | | | | | |
| | W | Black | | | | | | | |
| | | | | | | | | | |
| 2. | Brown | | | | | | | | |
| | Red | Dark Green | | | | | | | |
| | | | | | | | | | |
| 3. | Brown | | | | | | | | |
| | Light Green | Yellow | | | | | | | |
| | | | | | | | | | |
| 4. | Brown | | | | | | | | |
| | Purple | Purple | | | | | | | |
| | | | | | | | | | |

$$\boxed{1} + \boxed{7} = \boxed{8}$$

$$\boxed{} + \boxed{} = \boxed{8}$$

$$\boxed{} + \boxed{} = \boxed{8}$$

$$\boxed{} + \boxed{} = \boxed{8}$$
