

Clock

A large clock face is centered on the page. It has a solid outer circle and a dashed inner circle. There are 12 tick marks around the inner circle, each pointing to an empty square box. A solid black dot is at the center of the clock. Below the clock face is a grid of 12 boxes, arranged in two rows of six. The numbers 1 through 12 are printed in each box. A pair of scissors icon is positioned above the number 6 box, indicating where to cut out the clock face.
