

# Number Line Hotel

The illustration shows a tall building with many windows on the left side. A sign on a pole in front of the building reads "Number Line Hotel". To the right of the building is a vertical number line with ten rows of numbers. Each row has ten numbers, starting from 0 at the bottom and ending at 99 at the top. The numbers are arranged in increments of 10: 0-9, 10-19, 20-29, 30-39, 40-49, 50-59, 60-69, 70-79, 80-89, and 90-99. Each number is placed on a horizontal line with a small dot above it. The building has a mailbox at the bottom left, a path leading to it, and several trees and bushes at the base. The entire scene is framed by a large, stylized cloud at the top.
