

Number-Line Strips

The image displays five identical vertical number-line strips arranged horizontally. Each strip is enclosed in a dashed rectangular border. Inside each strip, a horizontal line is drawn with small circles at each integer position. The numbers 0, 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, and 11 are printed below their respective positions on the line, starting from the bottom and moving upwards.
