

# Stair-Step Cards

The image shows a large rectangular frame containing several 'Stair-Step Cards'. Each card is a grid of squares with a dashed outer border and a solid inner border. Each square contains a gray circle. The cards are arranged in a staircase pattern. The top row has one square. The second row has two squares. The third row has three squares. The fourth row has four squares. The fifth row has five squares. The sixth row has six squares. The seventh row has seven squares. The eighth row has eight squares. The ninth row has nine squares. The tenth row has ten squares. A pair of scissors icon is positioned above the top-right corner of the third card.
