

# Number Line Hotel

The illustration shows a tall building with many windows on the left side. A sign on a pole in front of the building reads "Number Line Hotel". At the base of the building is a mailbox and a small tree. To the right of the building is a large number line with ten rows of numbers. Each row has ten numbers, starting from 0 and ending at 99. The numbers are arranged in a grid-like pattern. The number line is represented by a vertical line on the left and a horizontal line on the right, with dots at each number position.
