

Algebra

Write the sum for the magic square. Then fill in the missing number.

1

8	1	6
3		7
4	9	2

Sum:

2

16		8
12	20	28
32	4	24

Sum:

3

21	6	
24	18	12
9	30	15

Sum:

4

10	0	14
12	8	4
2		6

Sum:

5

9		7
4	6	8
5	10	3

Sum:

6

9	16	11
	12	10
13	8	15

Sum : **Data Analysis and Probability**

List all the two-digit numbers you can make from the tens and ones digits. Then complete the multiplication sentence to show how many numbers you can make.

7

Tens	Ones
5, 6	1, 4, 7

→ × = numbers

8

Tens	Ones
1, 4, 9	2, 3, 5

→ × = numbers
