

Number and Operations

Draw a map for each number of intersections. Then write the multiplication sentence for the map. The first map is drawn.

1 14 intersections

____ × ____ = 14

2 27 intersections

____ × ____ = 27

3 21 intersections

____ × ____ = 21

4 11 intersections

____ × ____ = 11

Geometry

5 Circle each cylinder. Draw a box around each cone.
