

Making a 12-by-13 Array

The activity area contains four grid patterns, each enclosed in a dashed border for cutting. The top-left grid is 6 rows by 6 columns, with a pair of scissors icon positioned at the top-right corner. The top-right grid is 12 rows by 6 columns. The bottom-left grid is 2 rows by 6 columns. The bottom-right grid is 6 rows by 6 columns.

Combining Arrays

A	B		C		D	
E	F		G		H	
I	J		K		L	
M	N		O		P	

1 $A + B = \underline{\quad}$

7 $M + N = \underline{\quad}$

2 $A + E = \underline{\quad}$

8 $K + O = \underline{\quad}$

3 $C + D = \underline{\quad}$

9 $D + H + L + P = \underline{\quad}$

4 $F + J = \underline{\quad}$

10 $I + J + K + L = \underline{\quad}$

5 $G + H = \underline{\quad}$

11 $J + K + N + O = \underline{\quad}$

6 $H + L = \underline{\quad}$

12 $K + L + O + P = \underline{\quad}$
