

# Using Known Areas to Find Unknown Areas

Find the area of each figure. Use the dashed lines to help you. The smallest square on the grid has an area of 1 square unit.

|   |   |   |
|---|---|---|
| <p><b>1</b></p>  <p>_____ square units</p>   | <p><b>2</b></p>  <p>_____ square units</p>   | <p><b>3</b></p>  <p>_____ square units</p>   |
| <p><b>4</b></p>  <p>_____ square units</p> | <p><b>5</b></p>  <p>_____ square units</p> | <p><b>6</b></p>  <p>_____ square units</p> |
| <p><b>7</b></p>  <p>_____ square units</p> | <p><b>8</b></p>  <p>_____ square units</p> | <p><b>9</b></p>  <p>_____ square units</p> |
