

# Adding Decimals

NCTM Standards 1, 2, 6, 7, 8, 9, 10

Use the clues to fill in the missing numbers.  
Use blocks to help you.

**1**

		0.24
0.5		

0.24	
+ 0.35	
_____	

**2**

0.46		0.08
+ 0.22		
_____		

**3**

  

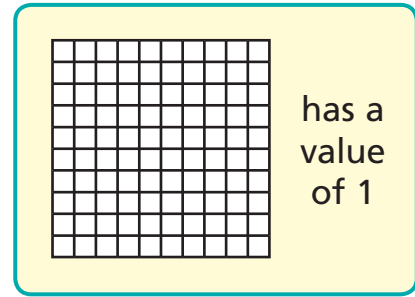

1.16	
+ _____	
_____	

Use the clues to fill in the missing numbers.

4

0.6	0.03	
		0.54
1.1		

$$\begin{array}{r} \square \\ + 0.54 \\ \hline \square \end{array}$$

5

		0.48
0.9	0.13	

$$\begin{array}{r} 0.48 \\ + \square \\ \hline \square \end{array}$$

**6 Challenge** Use blocks to solve this problem. Show how you found your answer.

Frانيا's mom told her she could buy 3 pounds of candy for her party at the Secret Sweets store. Frانيا bought 1.28 pounds of malted milk balls,  $\frac{53}{100}$  of a pound of gummy bears, and  $\frac{2}{10}$  of a pound of licorice. How much did her candy weigh? Will she need to put some back? Explain.
