

## Number and Operations

Use the number line. Write the letter that matches the number.

1 2.2 \_\_\_\_\_

2 0.4 \_\_\_\_\_

3 1.8 \_\_\_\_\_

4 1.0 \_\_\_\_\_

5 0.8 \_\_\_\_\_

6 1.2 \_\_\_\_\_

7 2.6 \_\_\_\_\_

8 1.6 \_\_\_\_\_

## Problem Solving

Solve the problem. Explain your answer.

9 Katrina is standing on the middle step of a ladder. She climbs up one step and then down 3 steps so that there are 2 steps below her. How many steps does the ladder have?
