

Measurement

Complete the table to find all the combinations.

1 Total of 26¢

Dimes	Nickels	Pennies
	0	6
2		1
1	0	
1	1	
1		6
	3	1
0	0	
0		21
0	2	
	3	11
0		6
0	5	

2 Total of 22¢

Dimes	Nickels	Pennies
2	0	
1		12
1	1	
	2	2
0		22
0		17
0	2	
0		7
0	4	

Problem Solving

For 3–4, use the following information. Use a strategy and solve.

The Snack Shop buys containers of yogurt for 35¢ and sells them to its customers for 99¢.

3 How much does the store pay for 85 containers? _____

4 How much money does the store take in from selling the 85 containers? _____
