

Training for a Bike Race

Meredith was practicing for a bicycle race. She set markers at every mile along the 25-mile route. She set her watch to beep every 10 minutes, and memorized the mile marker she was nearest at that time. Later, she made a table.

Beep	Distance From Start	Time
Start	0 miles	2:00
1st beep	2 miles	2:10
2nd beep	8 miles	2:20
3rd beep	13 miles	2:30
4th beep	18 miles	2:40
5th beep	20 miles	2:50
6th beep	22 miles	3:00
Finish Line	25 miles	3:10
